

comprehensive certified **repair**:

Complete overhaul + repair for pumps, blowers, mixers
Equipment failure analysis
Field service
On-site inspection
24/7 emergency service
Authorized OEM warranty centers

total lowest cost solutions:

Sourcing:

Value pricing
Equipment/parts sourcing
EDI, EFT, barcoding
Vendor consolidation

Inventory:

Same Day Shipping
Inventory reduction plans
Parts management plans
Vendor managed inventory
Consignment programs

Design:

Operation/system design
Equipment selection
Pilot/trial/demo testing
Product standardization

Reliability:

Performance analysis
Preventative maintenance
Predictive maintenance
Extended warranties

Operating:

System Analysis
Energy audits
Pump Improvement Engineer (PIE) consulting

Training / Education:

Product/technical
Operational/maintenance
On-site or training centers

TLC Partnerships:

Custom risk management:
Lifecycle cost analysis
Energy optimization
Custom reliability solutions
